SECTION 2: GRANT/ PROGRAM OVERVIEW

- 1. Describe the funding and the program goals:** The Local Assistance and Tribal Consistency Fund provides flexible support for eligible revenue sharing counties and eligible Tribal governments to meet their jurisdiction's needs. Specifically, the statute directs that recipients may use funds for any governmental purpose other than a lobbying activity.
- 2. Describe how this program aligns with your Department Mission and Goals:** This program is a general support program similar to ARPA funds that can be put toward whatever initiatives or programs that Tribal leadership determines eligible. Funds may be treated in a similar manner to how the Tribe's own revenue funds would be spent.
- 3. Describe the service population:** All enrolled Tribal members
- 4. Describe the activities that are supported by the funding:** Programs, services, and capital expenditures that are traditionally undertaken by a government are considered to fulfill a "governmental purpose." For Tribal governments, investing in activities undertaken by Tribal enterprises, such as operating or capital expenditures for businesses that are owned or controlled by a Tribal government, are considered a governmental purpose as well.
- 5. Describe the Reporting Requirements timeline:** More information to be released by Treasury regarding reporting requirements
- 6. Describe any leveraging opportunities created by the funding: (ex. growth of existing programs)** Growth of all existing programming by supporting the basic infrastructure needed to run all programs and services. Existing ARPA funds may also be leveraged.
