PAYMENT TERMS

Terms: COD CREDIT CARD

Billing Method: STANDARD

Unless otherwise specified herein, the client agrees to payment of the total purchase price of the proposal as applicable in the standard payment schedule below:

Project Mobilization. Upon acceptance of this proposal, SIGNET will issue an invoice for 15% of the total purchase price to cover costs associated with mobilization of your project. Payment for mobilization costs is due in advance of commencement of work.

Equipment. SIGNET will place equipment order with vendor upon payment of mobilization by the client. SIGNET will progress invoice client for equipment as we receive shipments from the vendor. SIGNET will provide a stored material insurance and transfer of title documentation for purchased equipment upon client request.

Due to the increasing global supply chain challenges surrounding electronic components, equipment lead-times have increased to 16+ weeks. Most SIGNET manufacturer partners have implemented a "first order in, first order out" approach and are no longer allowing dealers to place stock orders nor ship complete orders. It is imperative that SIGNET receive timely payment on equipment invoices to ensure product will be available and assigned to your specific project.

Unless otherwise specified, equipment sold is FOB origin-customer to pay all shipping charges. If this quotation covers equipment for more than one system, room, suite, or location, for purposes of payment in accordance with payment terms stated on the face hereof each room, suite, or location shall be treated as if the subject of a separate sale and payment made accordingly. Company shall not be liable for failures of or delays in manufacture, delivery or installation resulting from any cause or causes beyond its reasonable control.

Labor. Labor will be progress invoiced based on percent complete milestones. Unless specifically set forth in this written proposal or within the project specifications, project milestones are as follows:

Design Approval, Project Kickoff and Site Walkthrough	25%
Rough Installation	50%
Testing and Training	75%
Substantial Completion	100%

Service Agreement Services. SIGNET will invoice client for annual service agreement support services thirty (30) days prior to the start of the contract term. Payment terms for support are net 30 days from the date of the invoices. Failure to pay invoices by due date may result in servicing delays or cancellation.

Additional Payment Provisions

Provided the client has an open account in good standing, and unless specifically set forth in this written Agreement, payment for goods or services from SIGNET is, as stated above under terms, from the date of invoice. For clients without an open account, SIGNET will require payment in advance or a deposit.

Overdue payments shall bear interest from the due date at the rate of the lower of one and one-half percent per month (1.5%), or the maximum rate permissible under applicable law. Unless specifically set forth in this written proposal or within the project specifications, SIGNET will invoice equipment upon delivery and labor provided will be invoiced in progress fashion. In the event SIGNET engages an attorney and/or file suit to collect any unpaid invoice, and/or in the event of any other litigation or arbitration arising out of this Agreement, SIGNET reserves its right to recover its attorneys' fees, expenses, and all other costs of collection.

Changes. Any price changes that should follow any amendment or Change Order will be reflected on the final bill unless otherwise stated or agreed upon by Company and the Customer.

This quote shall become binding on the parties hereto when signed by Customer and accepted and approved by SIGNET Electronic Systems, Inc. By Customer's signature, Customer acknowledges that they have read, understood and agreed to the Terms and Conditions.
